Public Letter of Reprimand

On December 21, 2016, the Wisconsin Medical Examining Board issued a Final Decision and Order whereby you were reprimanded and required to show proof of completion of 10 AMA/PRA Category I CME credits on the topic of emergency radiology. The Wisconsin Medical Examining Board found that you failed to identify a mass in a patient's chest upon review of a CT scan. These actions constitute a violation of California Business and Professions Code sections 141(a), 2234 and 2305.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
